

“The tango rehearsal”, it is a performance for voice, violin/bandoneon and piano.

Since the beginning of the 20th century, tango have been the music and dance “for export” from Argentina.

In this performance, three musicians (voice, piano and bandoneon) open the door of their rehearsal. Combining dialogues, music play and dance. This concert cover all the topics in relation with the Argentine tango like music, dance and its history.

Duration: 55 minutes

The TANGO
