

“Voices of Catalonia”, it is a performance for voice and guitar

Catalonia is a part of Spain that shows an intense personality, its capital city is Barcelona. In its origins, Catalonia was a Mediterranean nation with a strong commercial and political organizations. Since the 15th century it became a Spanish province, however Catalonia kept its own language and cultural identity.

This concert musically reflects Catalonian people's voice through folk songs collection.

Duration: 50 minutes

Voices of Catalonia
